This means that all swimmers over 9 must wear a mask when entering the facility until they get in the pool and then put it on once they are finished with practices to leave the facility. Reminder! Although this meet is not a sanctioned meet (due to Louisiana Swimming not sanctioning meets at this time), these times will be added to your athlete's Crawfish times database (always viewable when you log in your Team Unify account) and we will recognize any Team Records that may be broken at the meet. ***It will still be a great opportunity for athletes to race and get fast times!***

Arena and SwimOutlet + Crawfish Aquatics

We are excited to announce that we are continuing our relationship with Arena Swimming for the next four years to be the official swimming apparel of Crawfish Aquatics. We believe their products are top of the line and our relationship with them has helped grow our athletes and team over the last five years.

At the same time, we had to make the tough decision to change our official team store from D&J Sports to SwimOutlet. Due to our distance away from the 'box shop' moving to an online only retailer will benefit our families in expediting orders, having reduced shipping costs and a wider selection.

We have an online swim shop set up on the Swim Outlet website with training equipment listed by training group, in addition to our team swim suits and apparel. <http://www.swimoutlet.com/crawfish> (you can always find this on our website under Swim Team > Outfitting & Apparel)

Fundraising Policy

Fundraising obligations allow flexibility for families and a lower monthly dues amount, which is reviewed annually by our staff. You can utilize the fundraisers (Swim-A-thon or the Business Sponsor program) or have the amount post to your May and December invoices. 50% of your family's obligation is invoiced/due in May and the other 50% is invoiced/due in December. **Review full policy from the handbook here:**

***There is a 6 month grace period for new members before fundraising obligation begins.*

Withdraw from Program/ Pause Membership

Monthly enrollment groups can be cancelled with completion of this form, by the 25th of the month prior to your "drop month". Please note that Novice division groups are seasonal, not monthly, and swimmers are not automatically renewed season to season. Additionally, swimmers that joined 8 & U or Age Group for the Summer season will not be automatically renewed in the Fall and will require re-enrollment to continue (therefore an end of Summer "drop" is not required).
