More about this event: Each April Crawfish Aquatics hosts a Swim-A-Thon and Silent Auction fundraising event, one of our most important sources of income for those items outside our normal operating expenses. It is a fun team event, social and highlight each year, especially as we watch our youngest athletes swim MORE LAPS than they (or their parents!) thought possible. A successful fundraiser allows us to meet our annual budget needs, make capital improvements, and support our Community Outreach Swim Lessons and Scholarships.

Safe Sport: Request for our Athletes (12yrs+) and Parents

We have posted some resources from USA Swimming and the Safe Sport program. We are requesting that parents and/or parents and athletes review the Safe Sport info and take the online training course. We are in the process of obtaining a Safe Sport designation with USA Swimming and our membership participation in the online training is a crucial component.
