CRAWFISH AQUATICS COVID 19 MEET PLAN

FACE COVERINGS AND SOCIAL DISTANCING

All meet participants – coaches, officials, administrators, athletes (between events), spectators and vendors must wear face coverings and comply with mandated social distancing and mass gathering rules whether inside or outside. All participants are asked to maintain social distancing, six feet of space, in addition to masking to help mitigate risk as well.

LOCAL PROTOCOLS

Currently, there are no protocols existing that are more strict than state guidelines, thereby the state guidelines will be the main determinant for deciding facility protocol. These guidelines include but are not limited to: wearing of face coverings, occupant capacity, social distancing rules and safety rules, and pool rules that come directly from CDC guidance for aquatic facilities. As those are changing regularly and might change prior to actually hosting a competition the links are provided here:

<https://opensafely.la.gov/PublicLinks.aspx>

<https://opensafely.la.gov/DownloadFile.ashx?ID=40&TBL=tblPubliclinks>

We are consistently monitoring East Baton Rouge Guidelines as well and will update our protocol should more stringent measures be placed in our local municipality. Those can be found here:

SWIMMER LIMITATIONS

The competition will be limited so that no more than 100 persons including athletes, coaches, officials, timers and meet administration are not in the indoor pool area at any one time. SPECTATOR LIMITATIONS

Spectators are allowed, but limited to one spectator per athlete. They will be able to watch the competition from outside the garage doors to limit our indoor count in the facility. There is a yellow rope that is blocking them from coming into the facility and on deck. By having the stream we will have fewer additional people allowing for greater participation by athletes in the competition.

PARENTAL ACCESS FOR SAFE SPORT

Parents are allowed to be at the competition as spectators, meet administration, timers and officials and all safe sport rules documented later are applicable.
