

Developmental Competitive and Jr. Red practice Groups

- Nothing new this week. Do what circuits or activities work for you and your family. Remember to be active and **have FUN** each day.
- A good alternative or addition to the suggested activities are the some of the workouts on the **Peloton Ap**. There are numerous, no equipment, workouts. The cardio classes are great for everyone. They run for 5 min to 20 minutes and have some dance workouts too. The Strength Classes have some good Core workouts and body weight classes, the outdoor section has a wide variety of walk & run sessions, and the stretching offers 5-10-minute pre & post activity.

CIRCUIT 1: Set up two markers in your yard or driveway, about 20yds apart depending on room.

Do Each activity twice. Rest 5-15 seconds after each activity.
