More about this event: Each April Crawfish Aquatics hosts a Swim-A-Thon and Silent Auction fundraising event, one of our most important sources of income for those items outside our normal operating expenses. It is a fun team event, social and highlight each year, especially as we watch our youngest athletes swim MORE LAPS than they (or their parents!) thought possible. A successful

fundraiser allows us to meet our annual budget needs, make capital improvements, and support our Community Outreach Swim Lessons and Scholarships.

Safe Sport: Request for our Athletes (12yrs+) and Parents

We have posted some resources from USA Swimming and the Safe Sport program. We are requesting that parents and/or parents and athletes review the Safe Sport info and take the online training course. We are in the process of obtaining a Safe Sport designation with USA Swimming and our membership participation in the online training is a crucial component.

Fundraising Policy

Fundraising obligations allow flexibility for families and a lower monthly dues amount, which is reviewed annually by our staff. You can utilize the fundraisers (Swim-A-thon or the Business Sponsor program) or have the amount post to your May and December invoices. 50% of your family's obligation is invoiced/due in May and the other 50% is invoiced/due in December. **Review full policy from the handbook here:** [http://www.crawfishaquatics.com/docs/Crawfish Aquatics Fundraising Policy BR.pdf](http://www.crawfishaquatics.com/docs/Crawfish_Aquatics_Fundraising_Policy_BR.pdf)
***There is a 6 month grace period for new members before fundraising obligation begins.*

Withdraw from Program/ Pause Membership

Monthly enrollment groups can be cancelled with completion of this form, by the 25th of the month prior to your "drop month". Please note that Novice division groups are seasonal, not monthly, and swimmers are not automatically renewed season to season. Additionally, swimmers that joined 8 & U or Age Group for the Summer season will not be automatically renewed in the Fall and will require re-enrollment to continue (therefore an end of Summer "drop" is not required).
