12 & UNDER STATE CHAMPIONS!

Congratulations swimmers, coaches and parents on an excellent weekend of racing and team. From great attitudes, positive celebrations and facing of challenges, to senior athletes coming out to cheer on our athletes at finals and a strong support from our Crawfish parents, we once again closed out a State Meet weekend proud to be CRAWFISH.

State Meet is about so much more than "State Meet!". See Coach Jayme's thoughts on the Crawfish Aquatics Experience through a state championship and all the stats our athletes racked up during these 2 meets!

Sectional Championships

This week 24 athletes will be traveling to College Station for the 2019 Sectional Championships featuring athletes not only from the Texas and Louisiana LSCs, but also guest teams from different California LSCs. This is our short course season Team One Championship meet and athletes must not only qualify with time standards, but they must be committed with upholding attendance and other requirements. This meet or a meet with similar standards will always be our winter championship meet and we are excited to field our largest team ever attending. Meet results will be available on Meet Mobile and you can follow along by searching "College Station". We know they will represent Crawfish Aquatics with fast swimming and great team spirit and support.
