What to do in this final phase of the SAT Campaign?

- **Continue to reach out to potential supporters to help us reach our goal!**
Online donations can still be made through the end of this month.
- **Thank your Sponsors**
It is so important to thank those that supported you in this event. Swimmers can write thank you notes, do a video thank you, include a fun picture from the day. Share what being part of the event was like, did they learn something new, conquer a challenge, enjoy making a new friend? They would love to hear about all of this- share your experience!
- **Turn in checks/cash from Sponsors**
 - If they made the pledge on your swimmer's page already, simply turn in to your location.
 - If they did not make the pledge on your account, please enter it there first for best tracking purposes. How to do it: <https://tinyurl.com/y697cxjs>

- **Confirm that all check pledges have been completed!**

Log in to your individual page and go to the Donations tab. Under Donation status, any donation marked as "Incomplete/Pending" indicates a pledge that was a check sponsor. Please follow up; they can also log in and complete this by credit card if preferred!
