### Sectional Championship Wrap Up

Twenty-four Team One athletes wrapped up a successful weekend in Austin, Texas at the Speedo Sectionals Championships. They competed against many current and future stars of the sport who were in their final preparations for Summer Nationals or foreign competitions for Team USA. There were many outstanding swims by our athletes. A major highlight and a huge accomplishment for our team, is that we now have seven current team members with USA Swimming Summer Junior National time standards. This is the largest number we have ever had qualified simultaneously for the elite competition for athletes 18 and Under in the United States. The team returned to Louisiana after prelims on Sunday to begin final preparations for this week's State meet where they will join the rest of their teammates 13 and over at the State Meet being held Thursday through Sunday at LSU. Here are some more highlights.
