For week of July 30

We would like to thank Coach Steve and Coach Addy for their years of coaching at Crawfish and helping to lead and build our program at Nicholls. We are sad they are leaving us, but wish them well in Pensacola! The main thing we ask of our staff at all locations is that they leave their position or their site better than when they first started. We can emphatically say that this is the case with Steve and Addy.

At the same time, we are excited for the future and the direction of our program at Nicholls through the guidance and leadership of our new hire, Coach O.J. Messina, as well as the continued coaching and hard work of Brent Labat. We will be having a welcoming event on Tuesday August 7 at 6 p.m. to introduce O.J. to the Crawfish swimmers and families at Nicholls. We are inviting all members from any of our locations to come down to Thibodaux on August 7 to meet our newest coach and Nicholls site leader!

Finally, as Steve and Addy depart, they wanted to share a letter with you all. Please see attachment for their message to the Crawfish Family.

Our Championship Season is in the final week and while many are on a seasonal break, we have two athletes competing at the USA Swimming Junior Nationals in Irvine, California. Jolee Liles and Rylee Moore will be competing at this prestigious competition that less than 1/2 of 1% qualify. The competition is being held in the same venue as the USA Swimming Nationals which were this previous week and the venue has hosted many major competitions including Pan Pac Championships, multiple USA Swimming National Championships, and the Duel in the Pool in 2005 (which Coach Jayme competed in). They will be swimming Tuesday through Friday. Jolee will be swimming the 200 Fly, 400 IM, 400 Free and 100 Fly. Rylee will be swimming the 200 Back, 100 Fly and 100 Back.
