ANNOUNCEMENTS & REMINDERS

Facility Update

As noted by Coach OJ, practices for Tuesday, November 13, are cancelled as well due to unforeseen maintenance issues caused by this past weekend's intense weather. We ask that you please pay attention to your email and text messages as those will be primary forms of communication when updating our families on the status of our pool. If you have not entered your mobile number information into your Team Unify account to receive text alerts, instructions can be found below.

- Login to your Team Unify account and access your personal information.
- In the "SMS" field, enter your mobile number, and select your wireless carrier from the list provided.
- Save your updated account information. Once saved, you should receive a verification code on the mobile number entered. After entering the code, you should begin to receive any text alerts sent from our Nicholls location.

Cooler Weather and Swim Practice—Just Keep Swimming!

Our pool is heated and ready for our athletes to continue training throughout the winter months! The most important thing to remember is to bring a towel and a jacket, sweatshirt, or parka out to the pool deck so you can bundle up once you are out of the water! Lined-Crocs are also a great resource for keeping feet warm. Wear a swim cap. ***Remember that staying active keeps you healthy, and wet hair in the cooler months will not make you sick!***

Developmental Meet Results

Thanks to everyone that participated and helped with the CA Developmental meet this past Saturday! It is so great to see our athletes expanding their events and trying new things and improving in repeated events. Go sign up for our December 15 meet today! We will be collecting for Toys for Tots at this meet also.

DECEMBER 15—TOYS FOR TOTS MEETS

On December 15, we will host THREE swim meets in one day at the CA BR Pool. In Partnership with Toys for Tots, families are asked to bring gift donations to the meet (unwrapped toy/gift).

- **14 & Under Meet, 9:00 AM**—This meet is for Junior Group and select Age Group members.

FUNDRAISING OBLIGATION—DECEMBER 1ST INVOICE

As outlined in previous Enews, all families that have been members beyond 6 months have an annual fundraising obligation, with the first half invoiced in April and second half invoiced in November. **Please note that you may see the fundraising invoice on your account before your account is credited for funds raised. Both items will be completed and posted by November 19. Please log in to your TU account directly to review your upcoming invoice on/after November 19.*

How much is due for the year and how much is billed on December 1? All families have an obligation of \$200. Fundraising balances for the first half of 2018 were posted on the May 1 invoice through your TU account with applicable credits applied at that time. Remaining funds raised through Swim-A-Thon will be credited to your Dec 1 invoice toward this second half of the year billing.

What if we raise more than the \$100 our family owes for the first half of 2018? For families raising above their first half of year fundraising obligation, the remaining credit "surplus" will be applied to your account for the second half of year obligation billing in November. There is no carry over from year to year and the maximum amount to be credited to your account is \$200 for your annual obligation amount.

Example of how funds are applied to the account: Your family owes \$200 annually and you raised \$150 in the SAT; \$100 of your SAT funds would be credited to your account in May and in November the remaining \$50 would be credited to your account for the second half of year billing. The remaining \$50 owed for fundraising would be debited with your Dec 1 invoice with no fundraising balance payment due in May.
