Crawfish 20 Year Celebration & Swim-A-Thon Countdown: 33 days

APRIL 13, 2019 AT CRAWFISH AQUATICS BATON ROUGE

Go to the website NOW, sign up to RSVP & get started: <http://www.crawfishaquatics.com/swim-a-thon/>

The event website offers direct email or social media sharing to get the need and awareness of this important fundraiser out! ***We only have had three people so far who have earned a Red Cap! Let's get this going and have Red caps everywhere!***

There is a lot of **FUN** planned for that day but there is much **work to be done** between now and then. When the athletes return to practice March 11, we will begin distributing the **RED swim caps** to swimmers that have registered for the event and obtained their first online donation/sponsor.

Don't forget that we will also **host an auction** in the gym during the event and are looking for individuals who can help obtain awesome items for this event! Sales of those items will go directly to your fundraising invoice.

Whether you are using SAT to meet your annual fundraising obligation or not, **we want ALL of our swimmers to take part in the Swim-A-Thon and 20 Year Celebration.** We need our full membership to come together through the SAT sponsors or auction donations, to celebrate 20 years of Crawfish Aquatics and help set the organization up for future success.

Order 20 Years Strong shirt (pre-orders only)

Purchase the 20 Years Strong shirt for \$15- youth and adult sizes available. This is a Next Level brand t-shirt, heathered white (same soft feel as our red shirts!). PARENTS, this is a great shirt for you also for upcoming swim meets and of course event day dress! [Order Link](#)

- ***Pre-orders only- order by April 1.*** Shirts will be available for pick up as of the Swim-A-Thon event on April 13. This is a great way to support the event AND gets you a white Crawfish shirt- the first white t-shirt with our new logo.
- While you are on the event website, you can also pre-purchase raffle tickets and dunk booth throws for the day of the event! [Order Link](#)
