

Rainy Day Plan / Indoor Seating Team Assignments

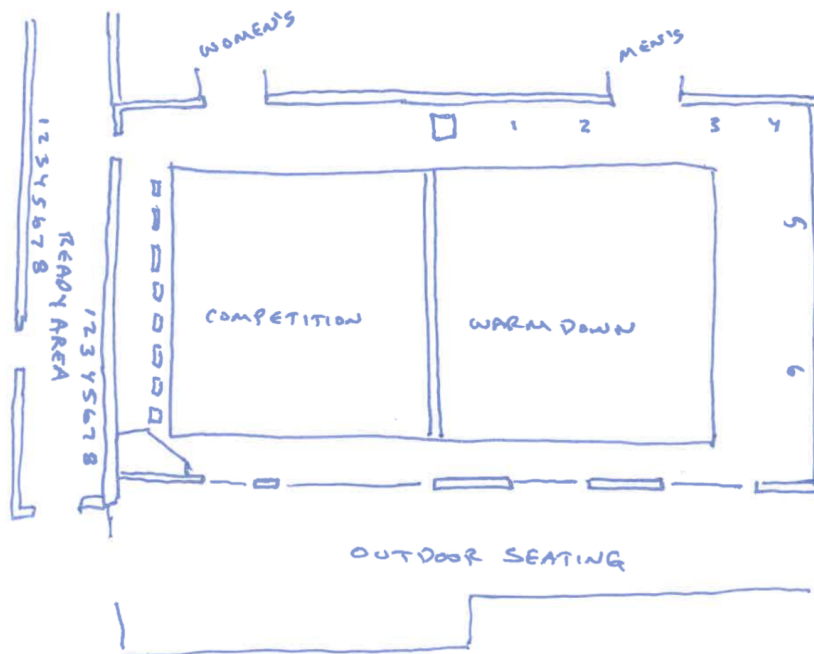

Clerk of Course:

- All 100 meter and longer events will line up in heats in the hallway, entering the doors to the hallway on the same side as the locker rooms. Meet staff will send heats behind the blocks from the hallway doors next to the meet admin booth.
- Swimmers in the 50 meter races (starting from the Record Board end) will report directly behind the blocks, no more than 4 heats ahead of their race. Area behind the blocks will be reserved for swimmers and coaches / meet staff (with the exception of the assigned bleacher seating)
