

Attention: Swim Meet Participants, Coaches and Spectators:

Please review the following information regarding the areas that are available to all attending any events hosted by Crawfish Aquatics. Crawfish Aquatics (CA) leases facilities and space from FWCC (which is a part of the Jimmy Swaggart Ministries) and the areas of the property that we lease are the **ONLY AREAS** permitted for use.

Crawfish Aquatics designated areas for daily usage are the indoor pool deck and outside area, the long hallway behind the scoreboard end of the pool, and the Crawfish Aquatics-designated locker rooms. Concessions and air-conditioned seating is available in the ***Crawfish Cafe*** located just off the long hallway behind scoreboard end of the pool.

Additional Seating in the Gym and Restrooms for the Swim Meet Weekend

The basketball court in the main gym and the adjacent restrooms will be available for Swim Meet Participants. **ONLY** the large court is permitted for use by anyone attending the meet.

Gym will be open for seating at the following times.

- Friday: 4:30pm-7:15am
- Sat/Sun: 7:00am-4:30pm
- Please note that FWCC will be opening this area for us daily and the open time may vary.

Rules & Guidelines for the gym

- Do not go past the lines of demarcation. We are only permitted to use the first court.
- Athletes or spectators that go into restricted areas will be asked to leave the competition and facility and not allowed to return.
- Due to the number of spectators in the gym area, ball play is not allowed.
- Please monitor young children in the facility at all times.

Accessing the Gym Area from the parking lot near the outdoor pool ramp

- The doors between the indoor pool and gym are not operational.
- Please exit building through the garage doors and enter the gym from the parking lot (next to outdoor pool) to access seating area and additional restrooms.

Parking

-In addition to the Crawfish Aquatics lots right next to the pool, the large parking lot to your immediate left upon turning from Anselmo Lane is available for use (this is the Renaissance Hotel lot which CA is permitted to use).

-If you continue down the drive past the CA outdoor pool, there is additional parking in the former *Advocate* parking lot (the *Advocate* no longer leases that space from FWCC and it is open space for swim participants to use).

-Do not park in the Ketcham Fitness lot on Bluebonnet.

-If you park in a non-designated you are at risk of being towed and ticketed by FWCC.

It is imperative that the established guidelines are followed by all meet participants. Please assist us in this by abiding by all facility rules to ensure a healthy relationship with our leaser.

Thank you and Dig Deep!
