

Dynamo Meet Wrap Up

The athletes from Baton Rouge in Junior Black, Senior Black and some from Senior white traveled to Atlanta to again compete at the 2017 Easterns Swim Classic hosted by Dynamo Swim Club. Some of the top club teams from around the country competed including Dynamo, CMSA, Lakeside Swim Team, North Carolina Aquatic Club, South Carolina Aquatic Club, YMCA of Central Florida, Colorado Stars, and a few others. There are athletes that competed in the meet that are Olympic Trials qualifiers and finalists from this past year, many are going on to swim at elite college programs including Florida, Virginia, North Carolina, Auburn, Alabama, and Kentucky to name a few and the pool records are held by many famous Olympians. There was no shortage of fast swimming this weekend from the other teams and our Crawfish athletes. We witnessed Michael Phelps' 200 back record broken as well as pool records in the women's 200 back, men's 100 back and the men's 400 medley relay. Some pool records date back to 1988! Our athletes did amazing as well including bringing home individual titles six times. We also had several team records set and the amount of best times recorded is honestly too many for us to have a count off the tops of our heads. We finished fourth as a team behind Dynamo, North Carolina Aquatic Club and Lakeside Swim Team. It was a great way to see where they stand heading into the championship season in a few weeks. Here are some other highlights.

Team Records

Jolee Liles (Senior and Open)
400 IM 4:24.96
1000 Free 10:13.44

Riley Brown (13-14)
