

*ACC is a group of college swim coaches who, for the last 18 years has been helping families find the perfect academic and athletic fit for their student athlete.*

- --- We bring your family options, educate you on how to take advantage of those options and are there to make sure nobody takes advantage of you.
- --We help identify schools that offer areas of academic interest
- --We help find the right fit for a college coach
- ... We send info and video to college coaches *multiple times* and we keep them updated with the student athlete's progress~ We attempt to find out if the coaches are interested or not.
- ... We edit and send video to the coaches along with our assessment
- --We teach the student athlete how to ask for a scholarship and teach all of you how to negotiate
- --We offer the Baylor ACT/SAT prep test to help prepare for the national testing-
- --We have a professional on staff to help/edit college essays-
- --We send you a 30 page book on inside recruiting tips
- --We will help with the mental side of swimming
- --We prepare you for college visits and how to ask for scholarships-
