

This is from the "Meet Details" email!

Facility Guidelines / Meet Procedures

- Current facility guidelines for practices are in effect for the meet.
- Come dressed in suit / Leave in suit! Locker rooms are limited usage.
- No spectators on the indoor pool deck. Coaches, meet mgmt, timers will wear face coverings on the indoor pool deck.
- All races will take place in the Scoreboard end pool, however all 3 pools will be used for warm up (see below for pool assignments)
- Please bring chairs; tents are welcome (limited space). Seating must be outside so that we can meet indoor facility requirements.
- Viewing will be possible outside all along the glass doors (which will be open)- we are asking parents to rotate in and out of this area in order to watch their athletes. Masks are required outside when social distancing is not possible and any time inside, except for the athletes entering with their heat for their race (social distancing will be maintained). Please help us in putting on a safe event!

Swimmer Clerk of Course for Session 1 & Session 2

- Coaches will organize swimmers into their heats in 2 areas:
 - Girls will meet under the Record Board by the Info Booth and will be lined up in their heats along the locker room side of the pool.
 - Boys will meet by the Info Booth but outside in the outdoor area by the first glass door. Coaches will call and line them up along the garage door side of the pool for their heats.
- For Session 1: the clerk of course will be used for all events EXCEPT the 50 Free and 50 Back. For those 2 events swimmers will report directly behind the blocks
- For Session 2: the clerk of course will be used for all events (even the 50's/100's!) except for the first event, 100 Free. Those swimmers will report directly behind the blocks.
