

State Wrap Up ~ Short Course 2025

Colors are more powerful than we realize. They symbolize different things, influence our subconscious, and impact those around us. Our team colors—black, red, white, and grey—have always represented our identity, with **red** as our primary color, just like a Crawfish.

As you've seen, our new state team caps are **red**—a deliberate choice. One reason is **visibility**, making it easier to identify our athletes in the pool. But more importantly, red is a **symbol of success and prosperity**, values that define our team culture and will continue to do so as long as our athletes, families, and coaches remain dedicated to hard work.

During his prime, Tiger Woods wore red on Sundays—the day he sealed his victories. Red is synonymous with strength, resilience, and action. It's a color that inspires and fuels the desire to succeed.

Our athletes loved the look of the new caps and we believe they gave an extra boost in competition. Moving forward, these red caps will be our official state team caps for all future championships. We hope our families also found them identifiable and inspiring. Championship red suits us well, and our team was **rocking it with success** over the last two weekends!

Open Meet Highlights

Held closer to home in Baton Rouge this year, our **15 & older athletes dominated**, winning the meet handily. The girls' team alone scored 2,517 points—more than any other team's combined total for both genders!

Age Group Championships

This meet was all about **passion, teamwork, and domination**. Beyond the impressive finishes, records, and best times, the most inspiring part was how our athletes competed for each other. Their love for the sport and their teammates pushed them to performances beyond expectation. The team secured its highest-ever point total at this championship—**75 points more than last year's record!**

We celebrate not just the highlights below but the achievements of **every single athlete**. While records and wins are exciting, what matters most is **the effort, dedication, and personal progress** each of you has shown. Well done!

Now, we turn our focus to the upcoming Sectionals Championships in Justin, Texas. Best of luck to all competing athletes—we can't wait to see you shine!

Dig Deep!
Coach Jayme

Senior State Championship Highlights

The team of 66 athletes won the Senior State Championship scoring 3973 points winning with a resounding 2517 points by the girls team!
