## **Communication & Resources**

### ***Missing Practices***

We understand and anticipate that swimmers will miss practices especially during the Summer season. If you plan to be out for more than 1 week, please email the office or you can let the coach know; there is no requirement to report each absence..

### ***Make up Practices***

Swimmers must attend practices according to their registered practice days and are not permitted to attend on alternate days; this allows us to keep our coach to swimmer ratio at the appropriate number. If you will be out for an extended time, email the office (we may be able to offer another practice option depending on enrollment).

### ***Emails***

Please note that our primary communication will be through email. Your Team Unify login email will be the email used for all communication. To add additional email addresses, login to your TU account and you may add up to 3 additional emails.

### **Practice Group Placement (division levels for AG Division)**

Each division is divided into practice group levels with curriculum goals set for each level and age range (AG1, AG2, AG3 & AG1, AG2 is also broken up by age 9-11, 11-14, etc.). This allows everyone to be placed in a group that is an appropriate skill level and age for each swimmer. There is a bit more fluidity

in the summer season and for communications purposes, information will be sent out by division and not practice group/level.
