

# SWIM-A-THON 2019

GIVE THE GIFT OF SWIMMING. DONATE TODAY!

20  
YEARS

Crawfish Aquatics  
Swim-A-Thon & Silent Auction  
Crawfish Agape International, EIN 47-3606420  
April 13, 2019

Please join us as we celebrate 20 years of Crawfish Aquatics! Crawfish Aquatics is dedicated to helping young people grow and achieve their maximum potential in a positive environment. Throughout the year, Crawfish Aquatics staff give free water safety presentations in area preschools and elementary schools in addition to working with partner organizations for our summer Outreach Lessons program which provides free swimming lessons to members of our communities that would not have the opportunity to learn to swim elsewhere. We also provide water safety education materials to physician offices and like-minded businesses whose patrons need this information most.

We do this because we believe that learning to swim and developing the whole athlete is a Gift for Life!

But we can't meet this community need alone.

To raise funding for our community efforts, site maintenance and improvements and offer a comprehensive swim program with a place for everyone, Crawfish Aquatics holds an annual Swim-A-Thon even. This year is special, as we **celebrate 20 years of Crawfish Aquatics**, including a silent auction.

***We are seeking in kind donations of goods or services by local businesses to help raise funds through this special event.***

## **The members and staff of our organization request your participation and support!**

- Can you provide an item(s) or service(s) for our silent auction?
- All of our donor organizations, companies or individuals will be promoted as sponsors of this event and have the opportunity to feature any promotional items or materials on a special Sponsors Table highlighted at the event.
- Your company will be promoted on social media platforms covering our 3 location cities (Baton Rouge, Lafayette, Thibodaux)!

Crawfish Agape International (EIN 47-3606420) is the non-profit arm of the organization. Your donations to Crawfish Agape go directly to our community efforts as well as providing financial support, ensuring the long-term viability of the organization.

On behalf of Crawfish Aquatics, we thank you in advance for providing support to our program and our vision to make our community water smart and safe.
