

Swim Lesson Instructor Meet Up Zones

Your instructor will have an assigned area (in areas A-J) to meet you and your child each day for class. You will receive this on your first day of the session at check in. Check in begins 30 minutes prior to your class time and is done at the Info Booth on the indoor pool deck, located at the “outdoor pool end of the facility”. When possible, arrive dressed to swim as our indoor locker room is limited in capacity. Portable restrooms are also available near the Instructor Meet Up Zones.

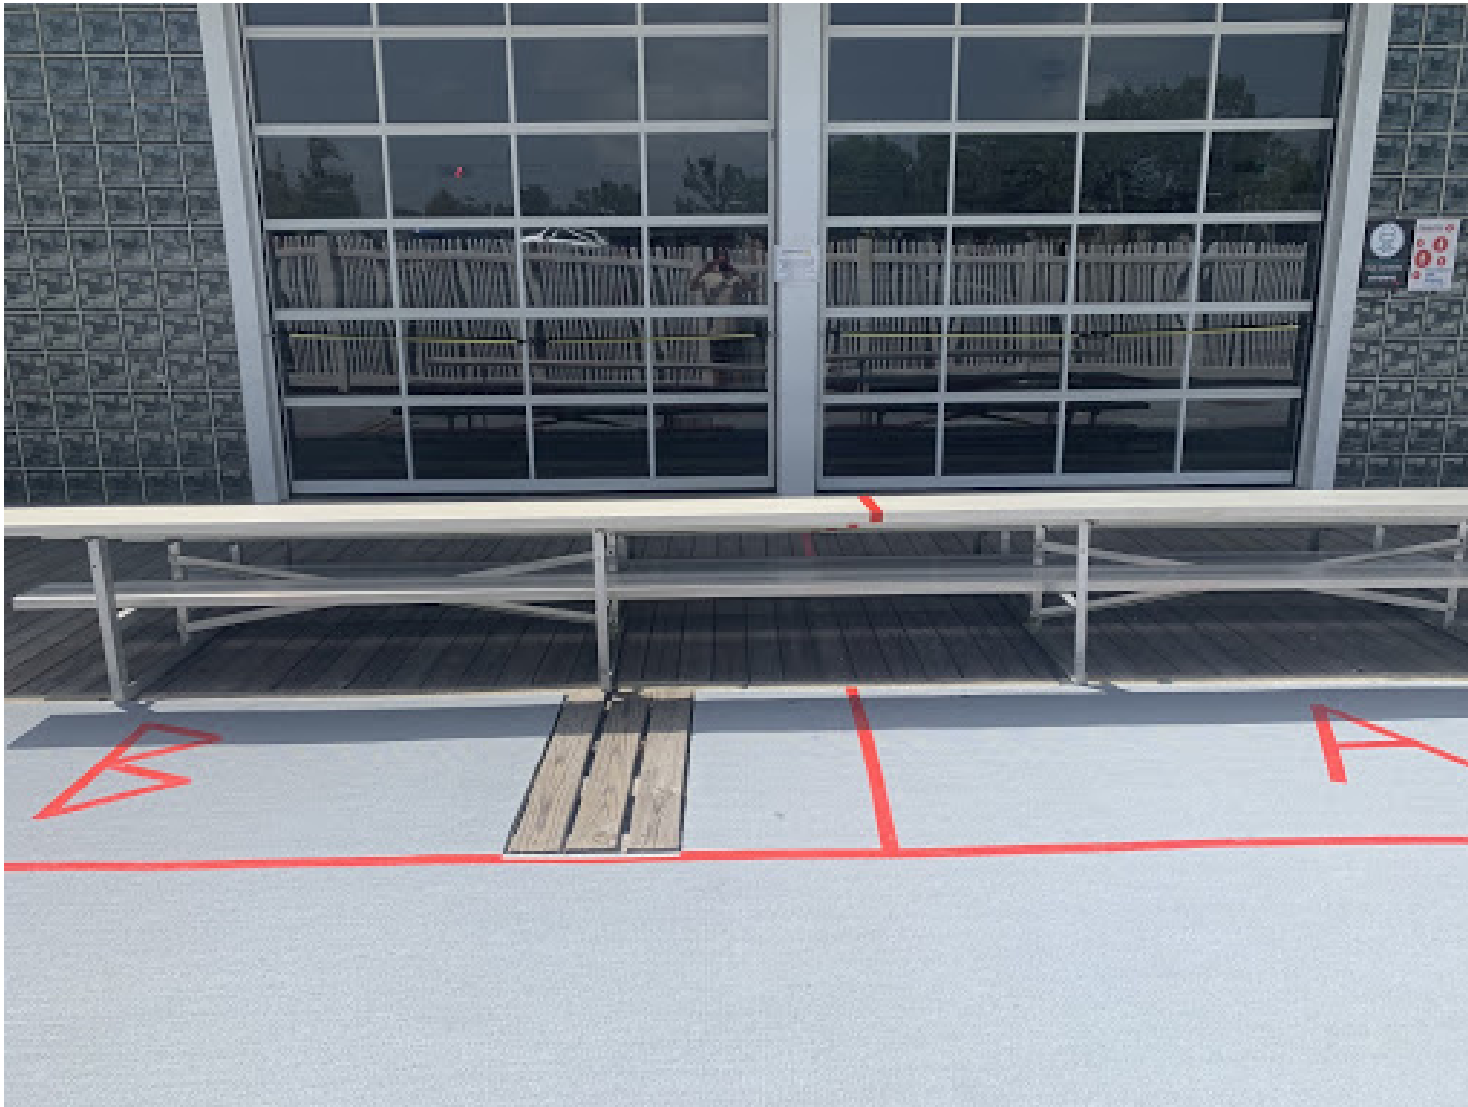

Instructors will begin bringing students to the outdoor pool 5 minutes prior to the class start time. Please be in your assigned zone 5-10 minutes prior to your class start time.

Following the class, parents will be able to come on the pool deck to pick up their students and speak with the instructors. The lifeguard or deck supervisor will let you know when it is time to enter the outdoor pool deck.
